ITV Broadcasting Limited

Strategic Report for the Year Ended 31 December 2022

Section 172 (1) Statement - Directors Statement in performance of their duties under section 172(1)

The Board of ITV plc are responsible for governance and oversight across the ITV Group and the duties under Section 172(1) of the Companies Act 2006 ('s172') in respect of ITV plc. As ITV Broadcasting Limited (the 'Company') is part of the ITV Group, its directors (the "Directors") believe that certain matters they are responsible for under s172 in respect of the Company have been considered to an appropriate extent by the Board of ITV plc in relation both to the ITV Group and the Company and reference to this is made below.

The Directors are members of the Media and Entertainment Divisional board that met eleven times during the year to consider and approve matters that relate directly to the Company and its subsidiaries. To the extent necessary for an understanding of the development, performance and position of the Company, an explanation of how the Directors have specifically considered the matters set out in s172 is set out below:

- **The long term:** The Directors are fully cognisant of the evolving competitor and viewer landscape in which the Company operates. The long-term strategy is to transform the Broadcast business to ensure ITV can address these changes, recognising that they present both opportunities and challenges. As the business continued to mitigate the long-term impact of changing viewing patterns, the directors recognised the need to retain and attract audiences that are increasingly moving away from linear viewing to digital platforms. The launch of ITVX in 2022, combining ITV Hub, ITV Hub+ and BritBox UK into a simplified and seamless integrated AVOD and streaming platforms was key to this. The Directors agreed that a digital-first content strategy will significantly strengthen the offering to viewers and enable the business to leverage its investments in ITV Hub, BritBox UK, Planet V and data to drive digital viewing and revenue growth with a digital-first content proposition. Additionally, the Directors renewed a ten-year Public Service Broadcasting licence, and continue to keep the impact of the Government's proposed HFSS food and drink advertising restrictions under close review. The Company has continued to have open dialogue with both the regulator Ofcom and the Government on both issues. The Directors also considered and approved the launch of the ITV Together Programme, a hugely significant global programme for our business and transforming how we all work.

- **Employees:** The Directors know that the workforce are key to the Company's success and are dedicated to nurturing an inclusive working environment where everyone can reach their full potential and thrive. As the Company is embedded within the ITV Group governance structure it is fully aligned with ITV on workforce engagement and through the divisional board meetings the Directors are consulted on and approve the HR related policies and initiatives that affect their employees. An explanation of how ITV plc have engaged with the workforce and taken them into consideration through its discussions and decision-making is set out on page 114 of ITV plc's 2022 annual report. Further information on ITV's commitment to its workforce is set out on pages 54 to 56 of ITV plc's 2022 annual report, which does not form part of this report.

The Directors recognise that an understanding of the issues relating to these stakeholders is fundamental to building and maintaining the successful relationships, enabling the Company to take advantage of the strong and mutually beneficial opportunities needed to ensure the success of the Company. As the Company is fully embedded within the ITV Group governance structure, the Directors seek to align themselves with ITV plc's engagement mechanisms and an explanation of how the Directors of ITV plc have had regard to the need to foster the Company's business relationships are set out on page 105 to 111 of ITV plc's 2022 annual report which does not form a part of this report, with detail on viewers set out on page 105, advertisers on page 106, citizens on page 107, legislators and regulators on page 108.

• **Community & environment:** The Directors have regard to role the Company's platforms play in driving change by reflecting and shaping culture onscreen. During the year better mental and physical health were the focus for major behaviour change campaigns. Through the Media and Entertainment board, the Directors regularly review progress against environmental targets (quarterly) and against diversity targets (bi-annually). The Directors also consider that as a result of being embedded within the ITV Group governance structure, the Directors of ITV plc have taken the lead in carrying out the duties in respect of the community, wider environmental issues and diversity and inclusion targets. Further information on ITV's Social Purpose strategy and 2022 initiatives - structured around better health, giving back, climate action and diversity and inclusion, environment and giving back targets - is set out on pages 44 to 53 of ITV plc's 2022 annual report, which does not form a part of this report.

• **High standards of business conduct:** The Directors' intention is to ensure that the Company and its subsidiaries operate in an ethical and responsible way. As a part of the ITV Group, they recognise that a healthy corporate culture is the cornerstone to ensuring high standards of business conduct and governance that also pervade business dealings with stakeholders outside of the organisation. The Directors consider that as a result of being embedded within the ITV Group governance structure, the Directors of ITV plc have taken the lead in promoting these facets and details on how it monitored and assessed culture during the year is set out on page 114 in ITV plc's 2022 annual report, which does not form a part of this report. ITV's commitment to high standards of business conduct is also enshrined in the Code of Ethics and Conduct available on the ITV plc website. ITV's culture also pervades its business dealings with stakeholders outside of the organisation, as exemplified by its work with suppliers in relation to modern slavery and membership of the Prompt Payment Code.
