### KPI's

The Directors of the ITV plc Group manage the Group's operations on a divisional basis with this Company being included within the ITV Studios division. For this reason, the Company's Directors use the ITV plc ITV Studios division's Operating and Performance Review in managing and understanding the development, performance and position of the Company. The business review is included on pages 18 to 31 of ITV plc's 2023 Annual Report.

- Revenue - ITV Studios revenue is key to ITV's strategy, reducing the Group's reliance on television advertising revenues. The Company's revenue was up 34% on 2022 due to an increase in programme deliveries. During the year there were significant deliveries, including including Fool Me Once and After the Flood.

- Number of commissions - ITV Studios continues to build a portfolio of successful series and formats that return and travel internationally. A key indicator of the creative renewal pipeline is the number of new commissions won, which includes programmes shown both on ITV and on other channels and platforms. Several new commissions secured during the year include new drama series Lazarus, Ruth, Mandrake and Run Away, as well as new Entertainment show My Mum Your Dad. The Company also secured a number of key recommissions including I'm a Celebrity Get Me Out of Here!, Love Island, Dancing on Ice, Grace and Vera.

- Total production hours - This is an important measure of the scale and success of our studios business. It measures the number of hours produced across all genres for ITV and other broadcasters and platform owners. The Company delivered 2,190 hours in 2023 (2022: 2,161 hours).

### Future developments

The Company will continue to follow its strategy to work proactively with UK and overseas broadcasters and streamers to develop ideas for new and returning series which can be exploited globally. The external environment is expected to remain competitive in the future but the directors remain confident that the Company is well placed with both broadcasters and streamers to exploit the opportunities that become available.

#### **Principal risks and uncertainties**

The management of the business and execution of the Company strategy are subject to a number of risks. The key business risks and uncertainties affecting the Company are:

- A rapidly changing marketplace for content rights could result in us failing to identify or obtain optimal rights packages. In order to mitigate this risk the Company is focused on both protecting and exploiting existing rights and ensuring that future rights generated accrue to ITV. The Annual Report of ITV plc is available to the public and may be obtained from [www.itvplc.com](http://www.itvplc.com) or the Company Secretary, ITV White City, 201 Wood Lane, London, W12 7RU.

- Failure to create and own sufficient number of hit shows/formats. This risk is mitigated by investment in the creative pipeline and focus on programmes and genres which can return and travel internationally ie drama, entertainment and factual entertainment. There is also a focus on hiring and retaining the right key creative talent as well as promoting an environment where creative ideas can be nurtured and developed.

- Failure to continue to evolve our organisational structure and culture could prevent us attracting or retaining key creative, commercial and management talent to deliver our strategy. Employing and retaining the best creative, commercial and management talent in a competitive market is key to our success. The risk is mitigated by ensuring engagement across the business with our More than TV strategy, maintaining a culture of relative autonomy within ITV Studios and capturing lessons learned from recent investments through post-acquisition reviews.

A comprehensive review of the Company's strategy, outlining the development, performance and position of the Company's business can be found in the Strategic Report of the group in the ITV plc Annual Report.

#### **Anti-bribery and corruption**

A comprehensive review of the Company's policies relating to anti-bribery and corruption can be found in the Strategic Report of the group in the ITV plc annual report (page 54).

#### Section 172 (1) Statement - Directors' Statement in performance of their duties under section 172(1)

The Board of ITV plc are responsible for governance and oversight across the ITV Group and the duties under Section 172(1) of the Companies Act 2006 ('s172') in respect of ITV plc. As ITV Studios Limited (the 'Company') is part of the ITV Group, its directors (the 'Directors') believe that certain matters they are responsible for under s172 in respect of the Company have been considered to an appropriate extent by the Board of ITV plc in relation both to the ITV Group and the Company and reference to this is made below.

The Directors are all members of the Studios Divisional board that met nine times during the year to consider and approve matters that relate directly to the Company and its subsidiaries. To the extent necessary for an understanding of the development, performance and position of the Company, an explanation of how the Directors have specifically considered the matters set out in s172 is set out below:

- **The long term:** The Directors are fully cognisant of the evolving media landscape in which the Company operates and that the production environment remains competitive. The long-term strategy continues to be a leading force in the creation and ownership of intellectual property (IP), global content production and distribution. The business is increasingly scaled and diversified business, by genre, geography and customer, in the key creative markets around the world. This has been achieved in 2023 by continuing to focus on our four strategic pillars as follows: growing our scripted business, growing our global formats business, and further diversifying our customer base, all of which is underpinned by our ability to attract and retain leading talent. Supported by the integrated model, the priority to attract and retain leading talent continued, with outstanding deliveries including Fool Me Once and After the Flood from Quay Street Productions, One Piece from Tomorrow Studios and Big Beasts from Plimsoll Productions. In order to diversify our customer base by strengthening relationships with global and local streamers for both scripted and unscripted programming, during the year there were projects in production or under development globally with all of the major streamers. The Company has also remained focus on innovation and technology to drive efficiencies by embracing new digital processes with more productions being managed remotely using tools such as cloud-based editing. Finally, the Directors believe that collaborative and connected digital ways of working will help deliver and have a positive long-term impact on the business and safeguard the interest of its shareholders. Accordingly, they supported and approved the launch of the ITV Together Programme in April 2023, a hugely significant global programme for our business and transforming how we all work.

- **Employees:** The Directors know that the workforce are key to the Company's success and are dedicated to nurturing an inclusive working environment where everyone can reach their full potential and thrive. As the Company is embedded within the ITV Group governance structure it is fully aligned with ITV on workforce engagement and through the divisional board meetings the Directors are consulted on, and approve the HR related policies and initiatives that affect their employees. The Directors are kept fully briefed on the health and safety and wellbeing of the Company's employees, contractors and those participating in its productions, and continue to promote and maintain adherence to its Duty of Care guidelines. An explanation of how ITV plc have engaged with the workforce and taken them into consideration through its discussions and decision-making is set out on pages 94 to 95 of ITV plc's 2023 annual report. Further information on ITV's commitment to its workforce is set out on pages 40 and 41 of ITV plc's 2023 annual report, which does not form part of this report.
